Was the trading plan followed?	Yes
Was the trade aligned with the strategy?	Yes
Why was the trade entered?	The trade was entered because the market showed a clear opportunity and the price movement supported the expected direction.
What was done well?	I followed the trading plan, entered at the right time, and monitored the price movement properly.
What made this a good quality trade?	The trade had a clear entry reason, proper observation of the market, and the expected price movement resulted in profit.
Key learning	I learned that following a clear plan, waiting for confirmation, and maintaining discipline can improve the chances of a profitable trade.
